

WARRANTY

This product, Spectral Products Model DK240, Serial Number 10570, is warranted to be free of defects in materials and workmanship for a period of 1 year beginning 5/11/2016.

Any software provided is intended to be used as a tool for development and as one possible method of code implementation. It is not intended to be a user application. Any software associated with this product is provided “as is” with no warranty expressed or implied. Spectral Products accepts no liability for incidental or consequential damages arising from the use of this software.

Failures or damages resulting from lack of operator attention to proper procedures, failure to follow operating instructions, unauthorized modifications, and natural disasters are not covered under this warranty.

This product does not contain any user serviceable parts. Removing its cover, without explicit written permission from Spectral Products, will void any written or implicit warranty.

Spectral Products does not recommend the use of its components or software products in life support applications wherein a malfunction or failure of the product may directly threaten life or result in injury.
